William J. Casey
Central Intelligence Agency Director
CIA
Washington, D.C. 20505

Dear Mr. Casey:

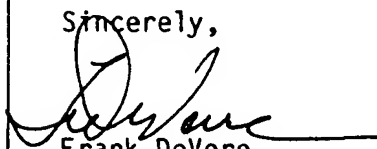

This correspondence is to introduce you to the Golden Eagle Club of San Diego County. We are a political action group formed in the image of the Lincoln Club of Orange County and dedicated to the support of fiscal conservatism, individual initiative, and the American free enterprise system.

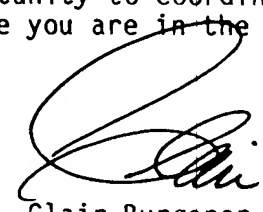

The Golden Eagle Club is composed of 140 business and professional leaders who wish to be better informed about current political and economic issues. We provide a forum (closed to the public and the Press) where our members can meet with today's leading policy makers and candidates for public office.

Since our inception in October 1983, we have been privileged to host numerous cabinet officials and prominent figures including: Vice President Bush, Secretary William Clark, Transportation Secretary Elizabeth Dole, to name just a few (list attached).

We take this opportunity to extend an open invitation for you to speak to our membership at a time convenient in 1985. We can arrange for the best quality lodging, local transportation, security, and accept a portion of the travel expense as an honorarium. Naturally, a reasonable amount of advance notice would be appreciated and an opportunity to coordinate other events for you, if you wish, while you are in the area.

Sincerely,

Frank DeVore
